

# Aroma di Guna 2

Natural spray - No gas - Preservative free

NATURAL SKIN PROTECTION

ESSENTIAL OILS

NEW  
OIL AND  
ZANTHALENE

## Description

The new formulation of **Aroma di Guna 2** has been enriched with two new plant ingredients:

- **Neem oil:** contains a special molecule, Azadirachtin A, whose aroma is distasteful to summer and autumn insects.
- **Zanthalene (Zanthoxylum alatum extract):** well tolerated by the skin, is known for its calming and soothing properties, and is useful in cases of skin irritation and reddening.

These two new ingredients are associated to a unique blend of essential oils of selected plants: **Melissa officinalis, Lavandula angustifolia, Mentha piperita, Citral, Linalool, Citronellol, Geraniol** and **D-Limonene**, known for their calming, soothing and refreshing properties and their pleasant fragrance, which turns out to be **distasteful to most insects**.

The **new and innovative formulation** of **Aroma di Guna 2** has **unique calming, soothing and refreshing properties, even in cases of skin irritation and reddening**. It contains a mix of fragrances, pleasant to humans but unappealing to a large number of annoying insects.

**Aroma di Guna 2** is easy to apply, is not greasy and doesn't stain. **Aroma di Guna 2 has no contraindications for use on children's sensitive skin.**

## Key words:

Skin soothing, calming & refreshing spray with unappealing fragrance to insects

NOVEL  
FORMULATION

## Ingredients

*Cetearyl isononanoate, Lavandula angustifolia Oil, Melissa officinalis Oil, Pelargonium capitatum Extract, Citral, Limonene, Parfum, Melia azadirachta Seed Oil, Mentha piperita Oil, Zanthoxylum alatum Extract, Oleyl Alcohol, Citronellol, Geraniol, Linalool.*

## How to use

Spray from a distance of 5-10 cm to cover the skin thoroughly.

As a preventive use against pest infestation, we recommend to spray the product onto the scalp from a distance of few centimetres and massage gently until the product is fully absorbed.

## Warnings

Do not spray in eyes. In case of contact with eyes, rinse immediately with plenty of water.

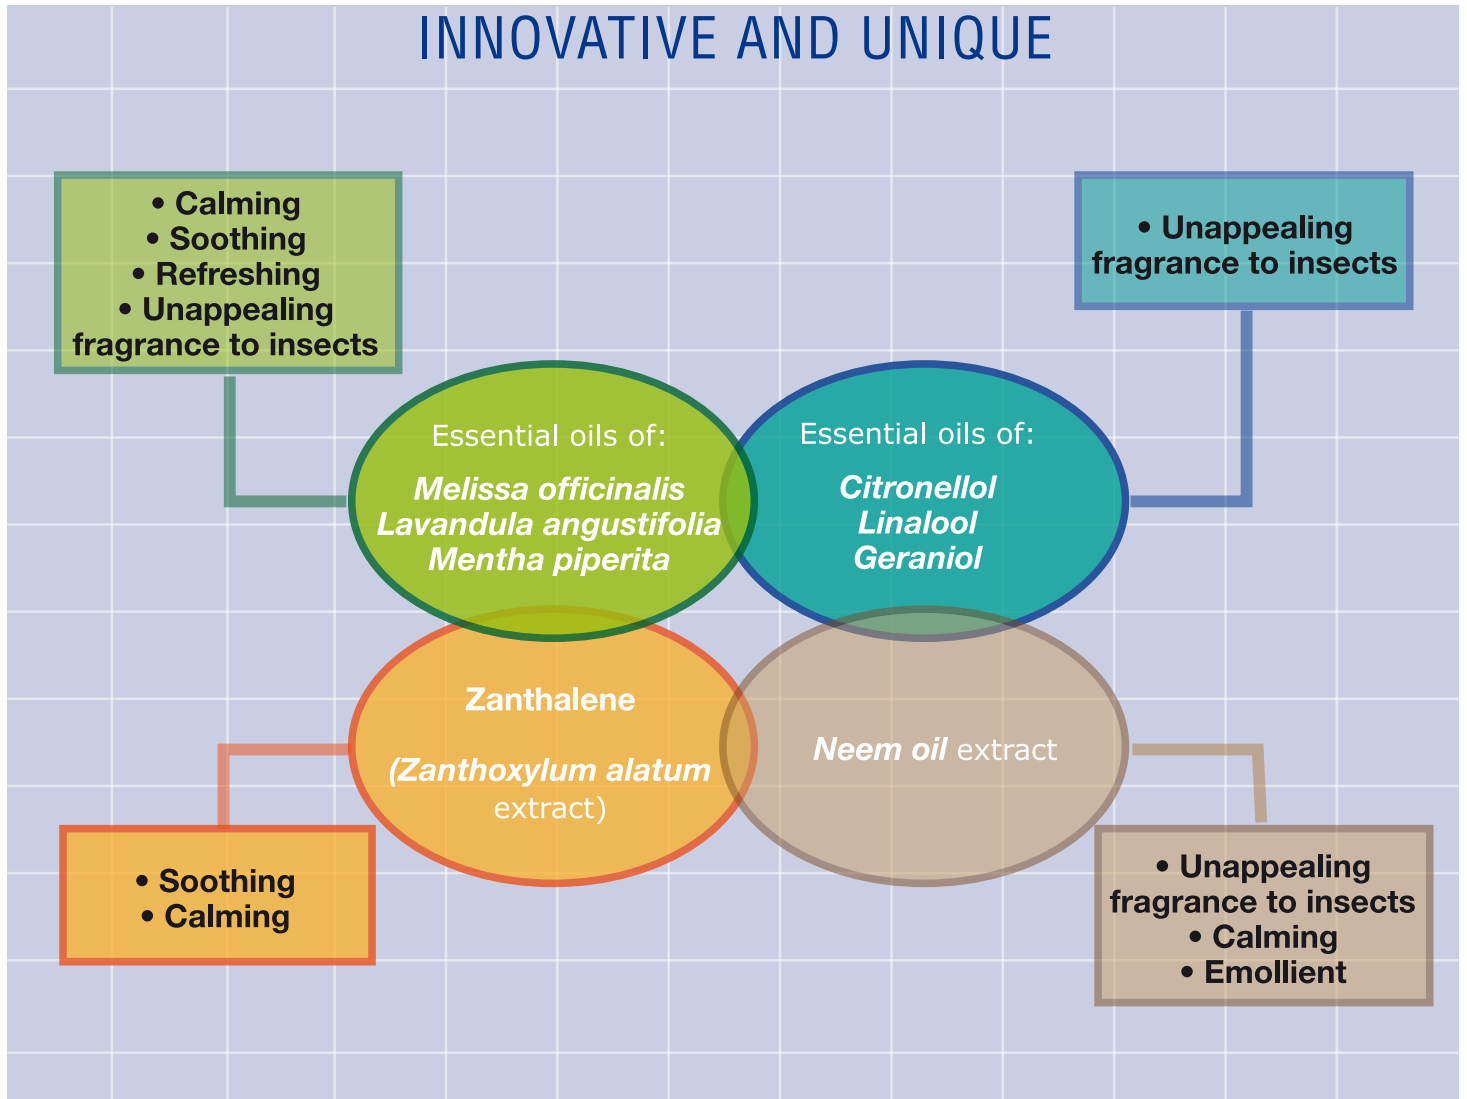

## Packaging

75 ml (2,5 fl.oz.) bottle spray.
