 **Guna**
healthy lifestyle

Food supplement made from **Noni**, with a **mix of plant extracts** and **Propolis**. _____

FLUIDIFYING ACTION

**EMOLLIENT AND
SOOTHING ACTION**

Omeotoxnoni is a food supplement made from **Noni**, with a **mix of plant extracts** and **Propolis**.

- **Elecampane, Poppy, Mallow** and **Cowslip** promotes the fluidity of bronchial secretions.
- **Maidenhair fern, Everlasting** and **Liquorice** contribute to the well-being of nose and throat.
- **Gumweed, Round-leaf sundew** and **Plantain** have an emollient and soothing action.

Omeotoxnoni contains Noni extract, a plant with **antioxidant** properties.

Moreover, the mix of plant extracts in **Omeotoxnoni** favours an **improvement of the body's general well-being**.

From the traditional **Polynesian** medicine

Morinda citrifolia, also known as **Noni**, is the most appreciated plant in Polynesia. The juice obtained from its fruit is rich in minerals, vitamins, enzymes, trace elements, sterols, and other substances.

Noni juice has **antioxidant** properties; in fact, it is still used today by Polynesians as an energy food in famine times.

NONI FROM TAHITI
guaranteed origin
